June 28, 2017

Dear Kodiak Friends and Patients,

After 40 years of caring for our community, Kodiak Island Medical Associates (KIMA) will be closing its doors on October 1, 2017. Six of our physicians and physician assistants are joining the capable staff at the Kodiak Community Health Center (KCHC) to continue providing compassionate and quality health care around the clock. Many of our hard working and beloved nursing and office staff will also be joining forces with KCHC.

The transition will occur in stages starting in mid-July and ending in early October. As our providers move to KCHC, appointments for them can be made by calling 481-5000. Our staff will assist you in transferring records to KCHC or the clinic of your choice. Please contact us for an authorization to release your medical information to a new provider if it is outside of KCHC.

It has been a great privilege and pleasure to serve our community for so many years. We are proud of helping to establish a culture of excellence centered on the diverse friendly folks of Kodiak who have taught us new things every day.

With respect and appreciation,

Mark Withrow, MD, Carol Juergens, MD, and all the staff of Kodiak Island Medical Associates
